

Sunbridge Care Home, Edmonton

A home that feels *just right*

Our home is in a pleasant area, just a short walk from beautiful parks, in Edmonton. We're close to local shops and public transport, so visitors find it easy to pop in at any time.

Our care team offers residential care for people who need help with daily tasks, and for those living with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we also celebrate a range of occasions throughout the year, with special meals and activities.

“ From the beginning of my Mother's stay, it has been excellent in all areas. ”

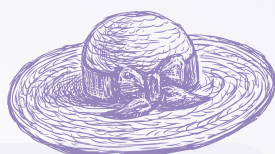

Our residents particularly like...

- Our in-house hair salon
- Home baking every day
- Snacks and fresh fruit available
- Relaxing in our beautiful garden and patio area
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
